Optional enrichment activities if needed

- *Create a riddle for each word below. Remember, to include as many clues about the word in your riddle, without using your word. **Kneel, Wristband, Wrestler, knowledge**
- *Cut out the letters in the words "**Happy Spring**." How many new words can you make by mixing up the letters?
- *Using legos or blocks and design a local water park. Post a picture to seesaw and describe it to your teacher.
- *Order the following numbers LEAST to GREATEST. Afterwards, combine your smallest number and your greatest and share the sum on Seesaw. 352, 812, 123, 785, 253, 787,349
- *Draw a diagram to describe and teach about the lifecycle of a butterfly.

*Teachers also encourage students to log in to iRead/iReady via classlink/lauch pad for 15-20 minutes.
