

## Roswell North TAG Activities

### Week 2 – March 23<sup>rd</sup> – March 27<sup>th</sup>

Hi parents!

First and foremost, we miss our kids!! Please give them a big hug from us and tell them we can't wait to see them. Secondly, we want to thank each of you for your patience and flexibility as we work to find the best way to continue serving our students.

Starting this week, we will begin a choice format for TAG work. In order to provide some autonomy and differentiation, we will have an Option A OR Option B. Students may choose the option that best suits them.

Mrs. Johnson and Mrs. Sevin will be hosting a chat through Teams from 1:30 – 2:30 on the following days. Your child can join the chat and get any help needed during this time. They are also able to email us or send us messages at any time.

Students and teachers will communicate at least once a week to check progress. The student will be expected to work on this project for at least a total of **1 hour per week**. Once the project is approved, a detailed timeline to help with project pacing will be distributed.
